SUMMARY

I am a graphic designer intern willing to work with an organisation where I can learn new skills and increase my ability for the organisational goals as well as myself. I have work with an organisation and you can view my work on my website.

SKILLS

- Graphic designing
- Canva
- Photoshop
- Frontend Web Development
- Web Design

WORK EXPERIENCE

Technical Head

BSSS NCC, Bhopal

Mar 2023 - Current

As the Technical Head of BSSS National Cadet Corps (NCC), I led and managed various technical projects, including poster making, PowerPoint presentations, and video production. Leveraging my creative expertise, I effectively communicated key messages and information through visually captivating content. Successfully collaborating with the team, I contributed to the overall success of the organization's initiatives and events.

EDUCATION

Bachelor's in Computer Applications

Bhopal School of Social Sciences – Bhopal

Jul 2022 – Current

My BCA degree helped me in graphic designing by providing technical knowledge, programming skills, and problem-solving abilities, elevating design projects with innovation.

CERTIFICATIONS

Certificate in Digital Marketing

Bhopal School of Social Sciences – Bhopal

Jul 2022 – Jul 2023
