SUMMARY

I'm a Graphic Designer with 2+ years of experience turning ideas into visuals that feel clear, polished, and purposeful. My work spans pitch decks, social media creatives, website designs, logos, and brand visuals, with a strong focus on premium and modern aesthetics. I enjoy finding the right balance between simplicity and detail, creating designs that not only look good but also communicate the idea behind them.

EXPERIENCE

Graphic Designer **Mar 2024 – Aug 2026**

TTBTE Venture Partners LLP - Remote

- Designed and delivered 100+ visual assets including pitch decks, web layouts, social media creatives, logos, app UI screens, and packaging designs, ensuring brand consistency and high visual quality. Conceptualized and executed responsive web and UI designs focused on usability, clean layouts, and modern design standards, improving overall user experience across digital platforms. Collaborated with cross-functional teams to translate business and marketing requirements into effective visual designs for presentations, digital campaigns, and product interfaces. Supported branding and communication efforts by creating engaging, designdriven content that enhanced brand visibility and professional presentation.
